

# ELI Magazines - Order/Renewal 2018-2019

## HOW TO ORDER ...

### Delivery

The first issue of each magazine will be dispatched to you in early October, after which date online materials including audio files will be available to you.

### Choosing the right magazines

The easiest way to review and compare the magazines is to download the flipbook versions of previous issues.

These are available now online at <http://www.elimagazines.com>

If that is not convenient, and you are considering ELI magazines for the first time, we will gladly send you printed samples of the title(s) that interest you. Please tick the appropriate box(es) under free samples.

### How to subscribe

Enter the number of subscriptions you require of the magazine in the column 'No. of subs', multiply it by the appropriate rate, and enter the total in the 'Total cost' column. If you order 10 or more subscriptions, one extra subscription will be supplied free of charge.

### Ordering and paying

UK schools may order on account, using their official requisition forms. We will send our invoice, which should be paid within 30 days.

All other customers should send full payment with the order. We can accept payment by cheque drawn on a UK bank, or most credit cards.

Or place your order securely online at:

[www.eurobooks.co.uk/elimags](http://www.eurobooks.co.uk/elimags)

Subscriptions run from October to May, but may be ordered at any time. Late orders will be accepted up to 30th April and will be backdated.
